My dear Sir,

I venture to suggest the following to t
kind and early consideration of the Dewan Saheb, whi
I wish you will kindly place this before him.

I need hardly inform you that this year, the Ra
crop will be bumper or I may say in some places 20 a
crop. Such being the case the price of Ragi has gone
to Rs92/- to-day per cart from Rs78/- which was a fo
night back. The reason for this being, the ryots no
bringing Ragi to the market on account of unusual cl
mate for the last one week, and also ryots being en
gaged in reaping. I am sure this will be very tempor
the utmost being a month, when Ragi will come down
Rs60/ per cart. In this transition period, I would
suggest the Ragi stored in the Govt: Depots be give
out freely for sale, thus relieving the poor to som
extent and also saving a good lot of money to Govt:
by selling at a proper time i.e. before the marke
goes down.

I have from a reliable information that
"Kaddy" paddy at Mysore has gone down to Rs17/- p

per candy which is nearly 33% less than the price a fort night back. There is every tendency of still going down very early. Such being the case the people will be induced to buy only Mysore rice than going in Burma rice. Under these circumstances, I suggest that the stock of Burma rice in the Govt: Depots be disposed off as early as possible. If delayed I am sure the Govt: will be put to a great loss. I have taken the liberty of informing this in the interest of the people and also of Govt: to which I beg to be excused.

Yours sincerely,

To,

C. Ranganatha Rao Saheb, Esq., B.A.,B.L.,
Private Secretary to the Dewan of Mysore,
